No. IA3-19/95/2021-IA-III Government of India Ministry of Environment, Forest & Climate Change (IA. III Division)

Indira Paryavaran Bhawan Aliganj, Jor Bagh Road New Delhi-110 003 e-mail: sharath.kr@gov.in

Dated: 06th October, 2021

OFFICE MEMORANDUM

Sub: Granting of Environment Clearance (EC) with EC identification number for Category A and B project proposals-reg.

Ministry in August 2018 launched PARIVESH (Pro-Active Responsive facilitation by Interactive and Virtuous Environmental Single-window Hub), a single window portal for the Environmental, Forests, Wildlife and Coastal Regulation Zone (CRZ) Clearances. The main objective of the PARIVESH was to enhance the efficiency, transparency, and accountability in Environmental, Forest, Wildlife and CRZ clearance processes.

2. With a view to bring efficiencies and transparency in the issuance of ECs and to encourage issuance of ECs in online mode, a new feature has been added on PARIVESH portal that generates 16 digit EC identification number alongwith e-sign and other required credentials.

3. All the Member Secretaries in the Ministry and State Environment Impact Assessment Authority (SEIAA) are therefore directed to issue system generated EC letter. Aforesaid functionality in the PARIVESH shall be made mandatory w.e.f 10.10.2021 at Central level and 20.10.2021 at SEIAAs. Thereafter, any new EC issued on or after aforesaid dates without EC identification number & e-sign shall be treated as invalid.

4. Detailed User Manual delineating steps for generation of the EC letter is annexed for information. Further, Project Proponents are advised to meticulously fill required credentials in the Form 2 for generation of EC letter, to avoid undue delay in granting EC.

5. This issues with the approval of the Competent Authority.

The detailed process for cover page generation	4
EC Identification numbering logic	17

Overview

The new project proposed to introduce the system generated EC cover letter while granting the environmental clearance as a first step. While uploading EC letter on the PARIVESH portal by the Member Secretary, it is proposed to add EC cover page generated by the system alongwith 16 digit EC identification number to bring efficiencies and transparency in the issuance of ECs and to encourage issuance of ECs in online mode. The newly generated online EC Identification cover page will be added as a first page with the EC letter. The environmental clearance letter is appended alongwith from page 2 to Page... of the letter.

Objective

This User manual is meant for User Agencies who are supposed to do the operations and activities that are required to generate the EC Identification number and Cover page of the EC letter having the gist of the EC-approved proposal. Earlier there was no provision for online generation of EC cover page and identification number. To bring efficiencies and transparency in the issuance of ECs and to encourage issuance of ECs in online mode, a system generated page having the gist of the EC-approved Proposal is added. The details required for the generation of page are fetched from the different places of application.

Scope

The purpose of this user manual document is to provide an interface between the user and "**PARIVESH**". (**Pro-Active Responsive facilitation by Interactive and Virtuous Environmental Single-window Hub**). The process of generating the EC Cover page having gist of the approved proposal as a first page of EC, will help the user in generating the cover page with a 16 digit EC identification number, generated by the system Online. The newly generated online EC cover page will be added as a First page of the EC letter. The environmental clearance letter is appended along with from page 2 to Page... of the letter.

Authorship

Sample EC Cover Page for Cat-B Project to be issued by SEIAA

State Environment Impact Assessment Authority (SEIAA) is an authority that grants environmental clearance for Category B projects. Procedure to generate EC cover page for Category B projects is exactly similar to that of Category A projects, as explained in the preceding pages. 5th character of the EC identification number will define the Category of the project and therefore, the project can be easily identified as Cat A or B.

Further, a valid environmental clearance shall be one that has EC identification number & E-Sign generated from PARIVESH.

Step-14 After preview, E-Sign and Submit button is visible.

21	5(f) Synthetic organic chemicals industry (dyes & dye intermediates; bulk drugs and intermediates excluding drug formulations, synthetic rubbers, basic organic chemicals, other synthetic organic chemicals and chemical intermediates)	IND3
22	5(g) Distilleries	IND2
23	5(h) Integrated paint industry	IND3
24	5(i) Pulp & paper industry	IND
25	5(i) Sugar Industry	IND2
97	6(a) Oil & gas transportation pipe line (crude and refinery/ petrochemical products), passing through national parks /sanctuaries/coral reefs /ecologically sensitive areas including LNG Terminal	
20	7(a) Air ports	MIS
20	7(b) All ship breaking vards including ship breaking units	NCP
31	/(c) Industrial estates/ parks/ complexes/ areas, export processing Zones (EPZs), Special Economic Zones (SEZs), Biotech Parks, Leather Complexes.	NCP
32	7(d) Common hazardous waste treatment, storage and disposal facilities (TSDFs)	MIS
33	7(e) Ports, harbors, break waters, dredging	NCP
34	7(f) Highways	NCP
35	7(g) Aerial ropeways	MIS
36	7(h) Common Effluent Treatment Plants (CETPs)	MIS

37	7(i) Common Municipal Solid Waste Management Facility (CMSWMF)	MIS
38	8(a) Building and Construction projects	MIS
39	8(b) Townships and Area Development projects.	MIS
42	1 (a) Mining of minerals	CMIN
43	2(b) Mineral beneficiation	MIN
57	7(d)(a)Common Bio-Medical Waste Treatment Facility	MIS
58	5(f) API	IND3
59	4(b)(ii) Coal Tar Processing Units	IND2
60	5g(a) Grain Based distilleries for Ethanol Blended Petrol	IND2
	1(a)(ii)Slurry pipelines (coal, lignite and other ores) passing through	
61	national parks / sanctuaries / coral reefs, ecologically sensitive areas.	MIN
62	1(c)(ii) Irrigation projects	RIV

Note: System will generate the first page of the EC document only. Rest pages of the EC document *i.e* page 2 and onwards should be manually prepared and saved in the PC in pdf format

Note: Page 2 and onwards of the EC letter should be prepared using Times New Roman font (Size 12) without header, footer and page number. Water mark of Ministry logo should be used at the center of page 2 and onwards. Last page of the EC letter should have the sufficient space to accommodate the Aadhaar based digital signature.

EC generated at the Central level having the proposal number IA/WB/IND/78705/2018 may be referred for the structure of EC letter.
