

Sugar Output Up 42% in Oct-Nov: Isma

India's sugar production has gone up by 42% in the first two months of the current 2017-18 marketing year that started October, industry body Isma said.

Sugar Production

39.51
lakh
tonne

Oct-Nov
2017-18

27.82
lakh
tonne

Oct-Nov
2016-17

251 lakh tonnes

Isma's production estimate
for this year

443

No. of mills operating till
November

13.59 lakh tonnes

Uttar Pradesh's sugar
production till November

REASONS FOR OUTPUT RISE

- Increased number of operating mills
- Rising pace of crushing operations in all states
- UP's advancing of start of crushing by a fortnight
